

5D™ Embroidery Software Owner's Class

5D™ Sketch

1. Open 5D™ Embroidery Extra  then QuickLink to 5D™ Sketch . The 5D™ Sketch Load Design Wizard will open.
2. Choose Load Picture and Embroidery then click Next.
3. Click Change Hoop. Set the Hoop Group to Pfaff® creative vision™ and the Hoop Size to 260mm x 200mm – creative Elite Hoop. Set the Orientation to Vertical and click OK.
4. Click Next.
5. The Choose Picture page will open. Click View Picture .
6. Browse  to MyDocuments\5DEmbroidery\Samples\S Sketch\Pics2 then click OK.
7. Choose Blue Butterfly.jpg found in the first row, third picture then click Next.
8. No need to rotate the picture, just click Next.
9. No need to crop the picture, just click Next.
10. On the Picture Size page, set the Picture Height to 194 then click Next.
11. On the Add Alignment Stitches, because the butterfly embroidery design already exists with alignment stitches in it, we do not need to add additional alignment stitches.
12. Choose None, then click Next.
13. On the Load Embroidery page, click View Embroidery .
14. Browse  to MyDocuments\5DEmbroidery\Samples\S Sketch\Stitch2 then click OK.
15. Choose Blue Butterfly.vp3 then click Finish. The butterfly will appear directly on top of the photo.
16. Go to the Motif tab.
17. Set the Group to Pfaff®.
18. Set the Category to 4.7 D Fun
19. Set the Pattern to 11.
20. Make sure Fit to Line, Reverse and Mirror are all unchecked.
21. Choose Complete for Final Motif.
22. With Proportional checked, change the Width to 14.0 mm. Make sure Running is selected under Stitch.
23. Click Draw Motifs . Starting in the upper left hand corner of the picture, draw a butterfly border around the picture. Notice the butterfly does not appear until a complete butterfly can be drawn.
24. Add a couple of 'baby' butterflies within the picture by dragging until a complete butterfly appears.
